

Requirements

Your application for a double major will be considered only when ALL of the following requirements have been met:

- At least two semesters have been completed at UC Berkeley.
- Your overall GPA is a minimum of 3.0.
- You are in good academic standing (not on academic probation).
- You were admitted as a freshman to COE; transfer students and change of college admits are not eligible to apply for double major.
- You have made satisfactory academic progress during your semesters of enrollment at UCB.
- Your planned program includes all course and unit requirements for graduation.
- Your planned program includes no fewer than five upper division technical courses for each major that do not overlap (distinct to each major).
- No more than five upper division technical courses overlap between the two majors (after the five distinct to each major is met).
- If a ninth semester is necessary to complete your double major program, the request must be made at the time of application.
- Your application is submitted by the end of your sixth semester of enrollment.

Instructions

1. Print and complete the following pages:

- Petition for a Double Major
- Program Planning Form
- Double Major Course Requirement Form
- Degree Worksheets for your intended Engineering Majors

2. Schedule an appointment with your Engineering Student Services adviser in 230 Bechtel Hall to review and submit the above materials. Note: Additional materials, including a personal statement explaining your motivation and preparation for pursuing your intended majors may be required. Your Engineering Student Services adviser will inform you during the appointment if any additional materials are needed to complete your application.
