

Simultaneous Degree Supplemental Application

Engineering Student Services ▪ College of Engineering ▪ 230 Bechtel

Minimum Eligibility

- At least two semesters have been completed at UC Berkeley.
- Your overall and technical GPA is a 3.0 or higher.
- If you are currently in another school or college other than Engineering:
 - You must have been admitted to UCB as a freshman.
 - You must meet all [Change of College application criteria](#) and submit all forms required for the Change of College application.
 - You must submit your application by no later than March 1 of your sophomore year.
- If you are currently in the College of Engineering:
 - If you started at UCB as a freshman, you must submit by the end of your sixth semester of enrollment.
 - If you were admitted to UCB as a transfer student in COE, you must submit by the end of your second semester of enrollment at UCB.

Program Requirements

- Your program includes no more than two upper division courses (used to satisfy major requirements) that overlap. Note: There is no limit to the number of courses used to satisfy breadth or humanities/social sciences requirements that may overlap.
- Your program must include a minimum of five upper division courses distinct to each set of major requirements (5 classes beyond any that overlap).
- If a ninth semester (fifth semester for transfer students) is necessary to complete your simultaneous degree program, the request MUST be made at the time of application. You must indicate that by listing the courses you would enroll in during that additional semester on your planned program. The request for an additional semester will be reviewed as a part of your simultaneous degree application.

Instructions
