Golden Bear Orientation
Monday, August 22, 9 a.m.–4 p.m.
Tuesday, August 23, 10 a.m.–noon
**Monday, August 22**

**Program**
9:00 – 10:00 a.m. | Zellerbach Hall

**Welcome**
Ryan Huntley & Tino Trangia, Co-Presidents Engineering Student Council
Tsu-Jae King Liu, Dean

**Be Your Best Self**
Fiona Doyle, Associate Dean for Students

**Our Engineering Community: Values & Expectations**
Grace O’Connell, Associate Dean, Inclusive Excellence

**Get Involved in Your Community**
Ryan Huntley & Tino Trangia, Co-Presidents Engineering Student Council

**Bear Building for Engineers**
Sarah Kweller, Events
Laura Vogt, Marketing and Communications

**Bear Building for Engineers**
10 a.m.–Noon | Various locations
Engineers today need to work together to be successful. With this Amazing Race style game, you and your team will use your energy, imagination and know-how to answer questions and navigate challenges around the College’s northside campus.

**Lunch**
Noon–1:00 p.m. | Campanile Esplanade (across from Bancroft Library)
The ticket in this program is valid at one food truck location. Drink & meal included.

**Smart Start with Your ESS Adviser**
1–1:45 p.m. | Various locations
Receive essential information and get your questions answered with your ESS Adviser.

**Ins and Outs of Your Department**
2–4 p.m. | Various locations
Join your classmates to meet department faculty, staff and students. Learn about the major’s requirements, curriculum, advising, research and more.

---

**Program**
10 a.m.–Noon | Various locations

**In this session you will learn about important dates, deadlines and useful resources to start your semester off right. You’ll have a chance to have your last minute questions answered by your ESS Adviser and current COE students.**

**Ins and Outs of Your Department**
2–4 p.m. | Various locations

Meet staff, faculty and students in your major and get an overview of your department’s curriculum, areas of specialization, student groups, research opportunities and more. Undeclared students can attend any meeting to learn more about a major of interest.

---

Photos/video taken throughout Orientation may be used by the College of Engineering in marketing materials.
Student Organization Fair
Bechtel Engineering Center & McLaughlin Breezeway
Get to know your student organizations, make contacts and find out about their first meetings.

Ask an Adviser/Pick up a Cinch Sack
230 Bechtel Engineering Center Patio
Have a last minute question for your ESS Adviser? Want to pick up a free Berkeley Engineering cinch sack? Come to the table outside Engineering Student Services. ESS Advisers will be available outside 230 Bechtel Engineering Center to answer quick questions and hand out cinch sacks.

Tuesday, August 23, 10 a.m. - noon

The pledge of ethical conduct for engineers...

As a member of the UC Berkeley community, I act with honesty, integrity, and respect for others.

UC Berkeley offers comprehensive free night safety services made up of BearWalk escort, night shuttle buses, and a door-to-door service. The time of day determines what services are available.

As a member of the UC Berkeley community, I act with honesty, integrity, and respect for others.
GOOD EATS!

CAFÉS ON THE NORTHSIDE
Various locations

Need a cup of caffeine to jump start the brain before an early exam? Check out these cafés conveniently located near classrooms, offices and labs to keep engineers (and others) refueled.
Resources

Engineering Student Services (ESS)
230 Bechtel Engineering Center | ess@berkeley.edu | engineering.berkeley.edu/ess
ESS provides academic advising (information on majors, curriculum requirements, engineering policies and procedures; referrals to campus resources; academic and personal support), peer advising, student organization advising, student leader support, and student recruitment and retention.

Basic Needs Center
The Basic Needs Center acts as a virtual and physical hub to support students in their journey to access essential services that impact health, belonging, and overall well-being. All enrolled students including undergraduate, graduate, international and undocumented students are eligible for Basic Needs Center resources and services.

Berkeley Academic Guide | guide.berkeley.edu
This online publication includes complete information on general university policies and requirements, as well as descriptions of each course offered on campus.

Career Center | 2440 Bancroft Way | career.berkeley.edu
From choosing a major, exploring careers and finding internships to looking for jobs and preparing for graduate school, the career counselors and staff, programs and resources are available every step of the way. Career counselors are even available in a satellite office in ESS at certain times each week.

Center for Access to Engineering Excellence (CAEE) | Academic Support
227 & 240 Bechtel Engineering Center | thecaee@berkeley.edu | engineering.berkeley.edu/caee
CAEE is a hub for student engagement, providing students with valuable academic support services such as tutoring, cohort programming, study groups and skill-building workshops, as well as social networking opportunities.

Centers for Educational Equity and Excellence
100 César E. Chávez Student Center | cee.berkeley.edu
CE3 offers services, programs, advising and resources to ensure that non-traditional, underserved and underrepresented students excel at Berkeley.

College of Engineering Undergraduate Guide | engineering.berkeley.edu/guide
This guide contains curricula, degree requirements, policies and procedures of the college.

Engineering Student Council (ESC)
president@esc.berkeley.edu | esc.berkeley.edu
The ESC serves as an umbrella organization for many of the engineering student groups and focuses on leadership development, community building and outreach. As an incoming student, you are welcome to attend ESC monthly meetings, participate in networking/mentoring events and use ESC as a resource for questions regarding student organizations and the campus community.

ESS Newsletter | engineering.berkeley.edu/ess
The newsletter is emailed to all engineering undergraduates every Monday. It includes important information about deadlines, workshops, research opportunities, internships, scholarships and upcoming events.

Jacobs Institute for Design Innovation (JIDI)
2530 Ridge Road | jacobsinstitute@berkeley.edu | jacobsinstitute.berkeley.edu
You will find a diverse range of resources at Berkeley's interdisciplinary hub for learning and making at the intersection of design and technology, including courses, a maker-space, events, student groups and advising.

Kresge Engineering Library
110 Bechtel Engineering Center | lib.berkeley.edu/libraries/engineering-library
The library has extensive print and electronic collections, as well as engineering-related journals, electronic books, engineering article indexes and technical reports of federally-sponsored research.

The (not so) Secret Guide to being a Berkeley Engineer podcast
ing工程.berkeley.edu/esspodcast
New episodes of The (not so) Secret Guide to being a Berkeley Engineer are released regularly throughout the summer for our incoming frosh and transfer students. You can subscribe on Apple Podcasts and Spotify and catch up on old episodes online.

Sutardja Center for Entrepreneurship & Technology (SCET) | scet.berkeley.edu
SCET is the premiere institution on campus for the study and practice of “technology-centric” entrepreneurship and innovation and offers an undergraduate certificate program.

Student Learning Center, César E. Chávez Student Center | slc.berkeley.edu
The center offers academic support services and tutoring and helps students transition to Cal.

Engineering Transfer Center
240 Sutardja Dai Hall | engineering.berkeley.edu/transfercenter
Drop-in weekly transfer center for group study with friends, relaxation and meeting with our Transfer Success Ambassadors.

UC Police Department (UCPD)
1 Sproul Hall | police@berkeley.edu | ucpd.berkeley.edu
24-hour phone: (510) 642-6760 | Campus emergency (510) 642-3333
Take proactive steps to ensure your safety as both a student and Berkeley resident. Visit the UCPD Safety Counts website to learn more about personal safety programs, such as BearWalk and emergency preparedness programs.

CAPS/Tang Center | 2222 Bancroft Way | (510) 642-2000 | uhs.berkeley.edu
CAPS provides comprehensive medical, mental health and health promotion services to all Cal students.
