

# EXPLORE ENGINEERING

## HANDS-ON ACTIVITIES AND CAREER PROFILES

Discover hands-on engineering activities!  
[tryengineering.org](http://tryengineering.org)

Check out articles, a magazine, and career profiles!  
[www.egfi-k12.org](http://www.egfi-k12.org)

Explore hands-on activities and STEM careers!  
[discovere.org](http://discovere.org)

## FIND ACTIVITIES, CAMPS, AND MORE!

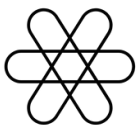

### Berkeley Engineering's Bay Area Teen Science (B.A.T.S.)

B.A.T.S. is a portal to science, technology, engineering, and math opportunities for Bay Area teens that promotes free and low-cost activities.  
[bayareateenscience.org](http://bayareateenscience.org)

### UC Berkeley's STAR Database

Explore UC Berkeley's STEM opportunities.  
[star.berkeley.edu/search](http://star.berkeley.edu/search)

### California STEM Network

Find STEM programs in the 9-county San Francisco Bay Area.  
[csn-search.childrennow.org](http://csn-search.childrennow.org)

### Science Near Me

Find opportunities to engage in all types of science, technology, engineering, and math events, projects, and programs near you, in person and online.
